Sir,
How does one write to a peer after having written to students all these years. Thanks for all the good times, and lets make the future even better.
Best Wishes!
Edelby

Mr. Edward Schmitz is not merely a business teacher. He is a man who treats each of his students as a special and significant person. For these things we admire and respect him.

To you, Mr. Schmitz, we dedicate this book.

A Message From the Superintendent

The theme selected by the Yearbook staff this year, i.e. " Unity" seems to be most apropos of what is needed to solve the problems and possibly prevent the annihilation of civilization.

We are faced with many threats, pollution of our air and water, sterility of our soils, shortages of energy, food and other natural resources. These problems should and must be of concern to all of us if we are to survive. This is the time when we must shed our cloak of self-concern and isolation and dedicate ourselves to unified action and seek cooperative solutions to world problems.

As students of John F. Kennedy High School you had many opportunities to practice unified action for the betterment of your immediate surroundings as well as achieving higher goals as a class. It is my hope that your actions will speak for themselves and set excellent examples for those that follow your footsteps.

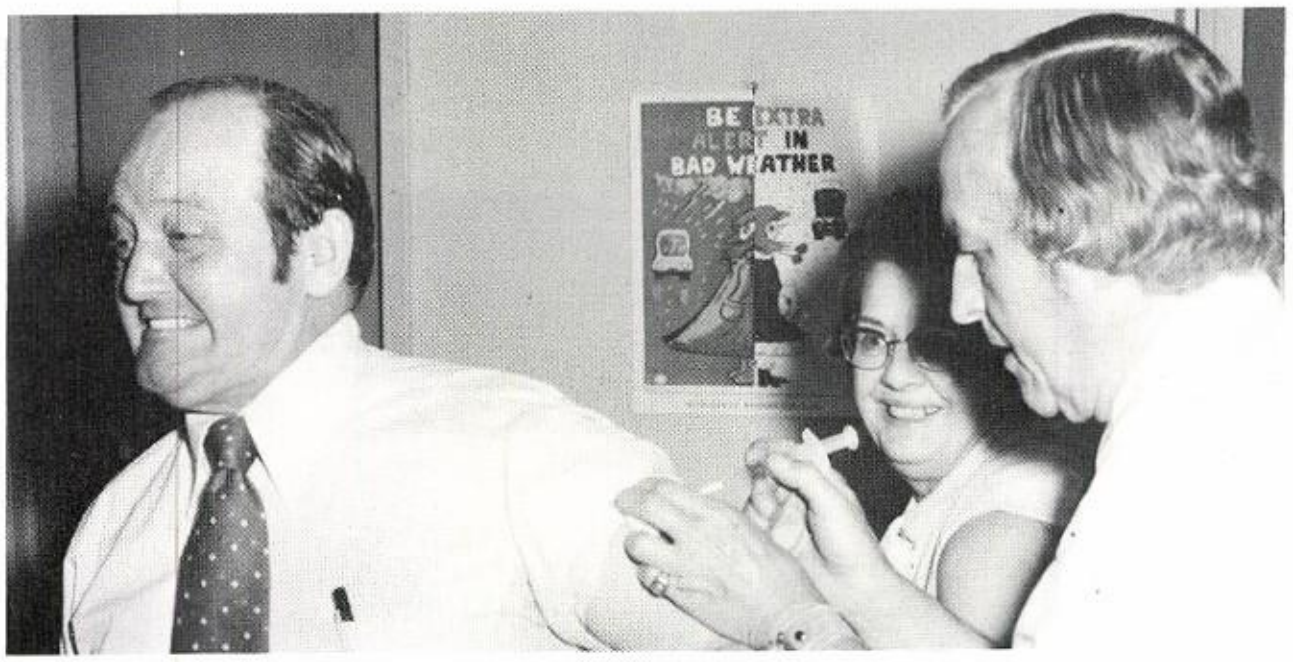
Mr. Henry Andrzejewski, Principal

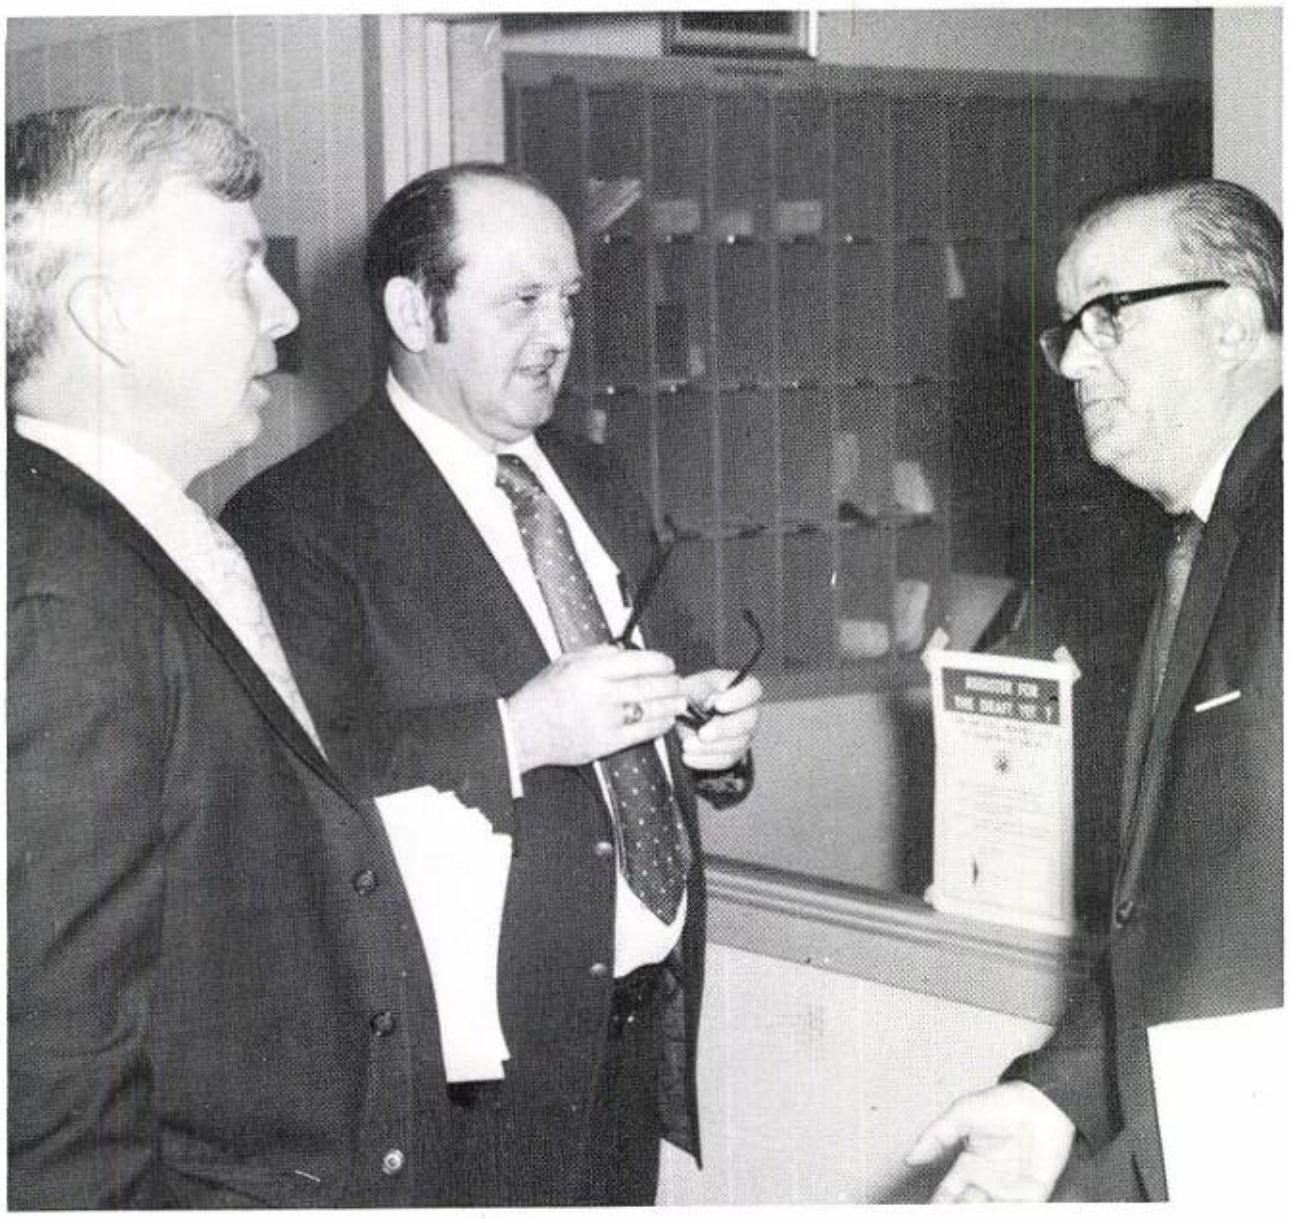
"We're number 1." This, the chant heard in the competitive arena, means more than victory. It means unity. Unity is the backbone of school spirit. It strengthens the competitive spirit of the athletic and academic teams and erases the divisions created by cliques and clubs. Unity is all for one and one for all.

Here, at John F. Kennedy, we have unity. We are united in support of our school and its reputation, and we demonstrate this unity in our support of our school teams. Our students work together for the honor and glory of their classes, not solely for their own personal reward. Each graduating class strives to achieve some unified purpose, making it outstanding in the memories of underclassmen and teachers. Our faculty is unified in its desire to give each student the best education possible, enabling him or her to follow his or her chosen pathway through life.

We are proud of Kennedy and its accomplishments — athletically, academically and socially. Our unity is shown through our pride. Working as one solid group, we can accomplish seemingly impossible tasks. We can make Kennedy truly No. 1.

Mr. Henry Zwierzchowski
Assistant Principal





Our school is possessed of great spirit that is a source of pride to me. You represent the tomorrows of this country and must train for those goals now. There are times when we must necessarily discipline those who cause problems, but I feel that it is for the best of not only the school and community, but for the individual himself. Scholastically and athletically our school has made great advances in striving for recognition and has achieved new heights.

It is my sincere hope that when students leave the halls of John F. Kennedy that they will become outstanding and dependable elements of society.

Language Arts Department

This year our Language Arts Department has undertaken major changes in its cirriculum to improve both the technique and substance of the course, and to give our students a better understanding of their native language. Beyond this, English combines the rules of grammar with the horizons of literature in order to awaken the imagination and creativity within us. Such classes as drama and public speaking help to add to the interest of English.

Mathematics Department

Our Math Department is designed to train students to be able to use mathematics not only for careers involved directly with math but also for professional careers in engineering, physics, and chemistry.

*The study of Math promotes logical thinking and an understanding of what Einstein meant when he said that "order, not chaos rules the cosmos, for God doesn't play dice with the universe."

*The department also offers courses in everyday, practical math, as well as in such specialized fields as analytic geometry and calculus.

Science

SUSAN SULLIVAN

Science, the bedrock of any technological society, is helping students here at J.F.K. to gain a greater understanding of the theories and applications of the rules of science. The curriculum, to this end, has been changed, dropping the I.S.C.S. course, and modifying 9th grade General Science to accommodate our ever-advancing world. In keeping our students abreast of these advances in science, this department prepares us for our life after school in our mechanical and scientific society.

"The experiences of tomorrow are built on the lessons of yesterday." So said an ancient philosopher when asked about the reason for the study of history. Even today, whenever the question is asked, the answer still applies. Beyond the study of history, our J.F.K. curriculum includes such present-day courses as Consumer Education and Sociology to add to the interesting and beneficial study of history.

Business

MONIE MYLES

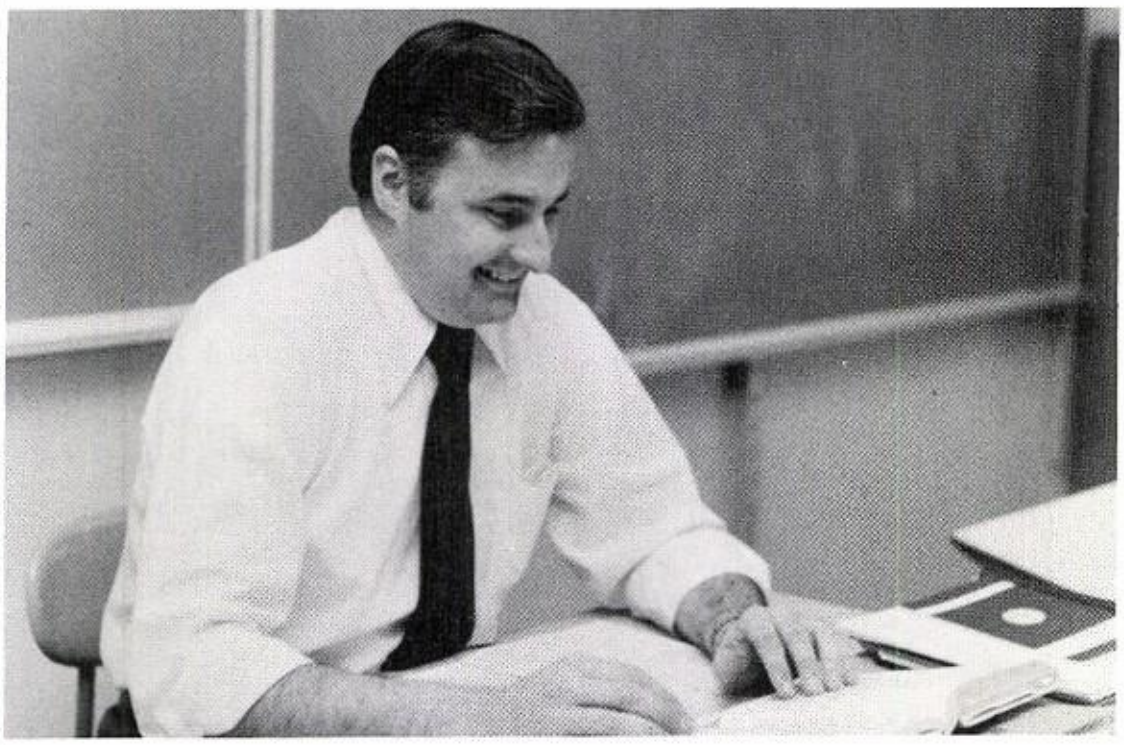
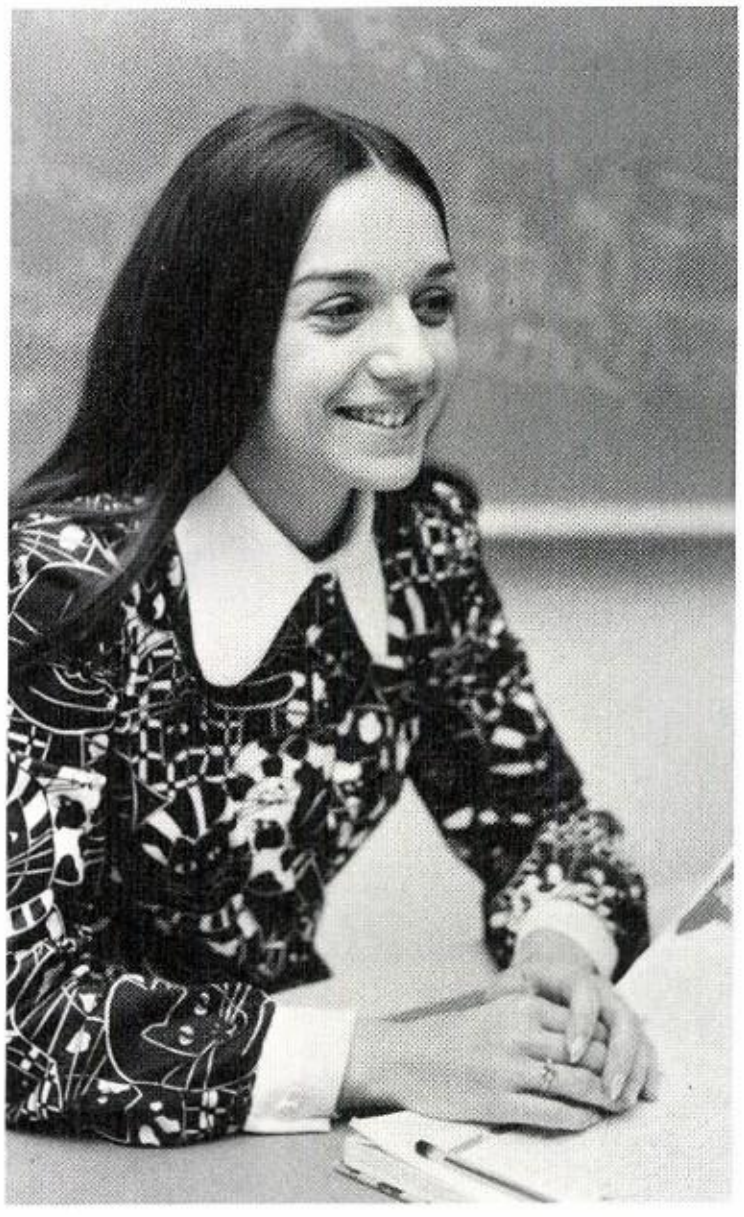
SANDRA WILLHOFF



EDWARD SCHMITZ
Department Chairman

The world of business encompasses such diverse courses as accounting, shorthand, office practice and typing. All designed to improve the students understanding of business and prepare him or her for a rewarding career in this field. The curriculum is always being revised to keep in step with the changes that are constantly occurring in this area. New equipment, to keep the course up-to-date, trains our students in the expanding world of business.

RON RADLICH



BARBARA KRAMER

Home Economics

The objectives of the home economics courses are to further the homemaking skills of students, and to keep them abreast of new developments in the areas of food and clothing. The course seeks to prepare students for that time when they too will establish a home and have the job of making the decisions to support it.

Music

The main objective of our music department is to further the musical development of students with the goal of training them for a vocation in a music field. This year our band has under gone revisions and reorganizations to develop a many faceted music program. There is now a Marching Band and Jazz Ensemble in addition to the JFK Concert Band. The band participated in a number of activities such as marching at a football game, giving a Christmas show at the Como Mall, the Spring Concert, and marching for Memorial Day services. For the band this was a year of building of solid music program, spirit within the band, pride within the school, and a following in the community.

Foreign Languages

MICHELLE EDSON

Our language department is alive and active, adding exciting new facets to the grammar of foreign language. The cultural backgrounds and histories of the Romans, Poles, Spanish and French are taught to students of the language. In order to more greatly make the students understand what he is reading. Moreover, the invaluable experiences of other cultures adds to our understanding of our own culture.

Industrial Arts

The department of Industrial Arts is designed to introduce pupils to the industrial process, methods, and conditions. Its curriculum has bee changed in order to meet career endeavors, and to prepare students more fully in order to work in trade, service, or industry. To help i achieving this end new equipment in both the electronic and the automotive areas is being used.

JAZZ ENSEMBLE

This year our school band has gained greater popularity and recognition throughout the student body. Mr. Ziemba, the new Advisor has initiated many changes and improvements which seemed to bring new life to the organization.

The Band plays at numerous assemblies throughout the school year and it has also done concerts outside of the school.

Awards are given for superior service to the club and scholarships may be sought by those members who wish to continue their musical career in college.

Varsity Football

The 1974 Varsity football team compiled a 7-1 record and tied both Grand Island and East Aurora for the Division V Championship. Junior twins Hank and Chuck Goettel provided the Bears with a potent double barreled running game. Also, quarterback Ed Bernal led the most powerful JFK offense seen in recent years. Combined with the offense was a stonewall defense which allowed an average of 7 points per game. Coach Norm attributes this year's success to the unity the team shared. He says the team's Most Valuable Player was "all of them."

Special recognition to this year's players: Division V All Stars were Jim Hellems, Ed Bernal, and Mark Zalemski on offense. Mike Ciepiela and Gary Koszuta on defense. Nominated for the Niagara Frontier Classic were Jim Hellems and Mike Ciepiela. Nominated for the Prep All America Team were Jim Hellems, Mike Ciepiela, and Ed Bernal.

The Battling Varsity Basketball Team

The 1975 Varsity Basketball Team is having a seesaw season. Winning then losing can be frustrating but many bright spots have been seen. Dennis Piatkowski and Tom Radziwon have consistently led the team in scoring. Premier guard Joe Kaminski is clearly the floor leader as he sets a fine example and draws the tempo of the game to our side. Things are definitely looking up, and we expect a playoff berth for our Bears.

On the Go With JV Basketball

First year JV Basketball Coach, Mr. Odachowski, has to be commended for his effort at coaching his team. Despite a torn Achille's Tendon, he's at practice every day working his boys into fine players. Tim Klopp and Dean Symkowiak led the team on the floor with good hustle and big Mike Ickowski handles the boards. We're looking for continued success for Mr. "O" and his valiant JV Bears.

Fantastic Freshman Basketball Team

Presently, the 1975 Freshman Basketball Team is going through a phenomenal season. The Cubs have annihilated all their opponents while compiling a 5-0 record. Tony Pijacki and Gary Sroka have turned in exceptional performances in all the games. Coach Wagner is ecstatic over his team's potential. So is the school! We'll be looking forward to seeing these guys when they reach the Varsity level.

"THERE it is!"

Varsity Baseball Bears

Coach Borsuk's prayers for a super-star may have been answered with the arrival of pitcher Mike Ickowski. Ike's fastball smoked the league and it appears that Kennedy has its bullpen set for the next 3 years. Rick Pikul was the only Senior to go out for the team and he led the team well as captain. Both Frank Piacente and quick Joe Kaminski were voted to the All-Star 1st team and Mike Ickowski was voted to the 2nd team.

ABOVE: 1st ROW: Tom Radziwon, John Klosko, Joe Kaminski, Mike Caggiano. 2nd ROW: Phil Czechowski, Tim Hoffman, Mark Zalemski, John Stachewicz, Coach Borsuk. 3rd ROW: Mike Oczowinski, Mike Ickowski, Jim "Z" Hellems, Frank Piacente, Rick Pikul.

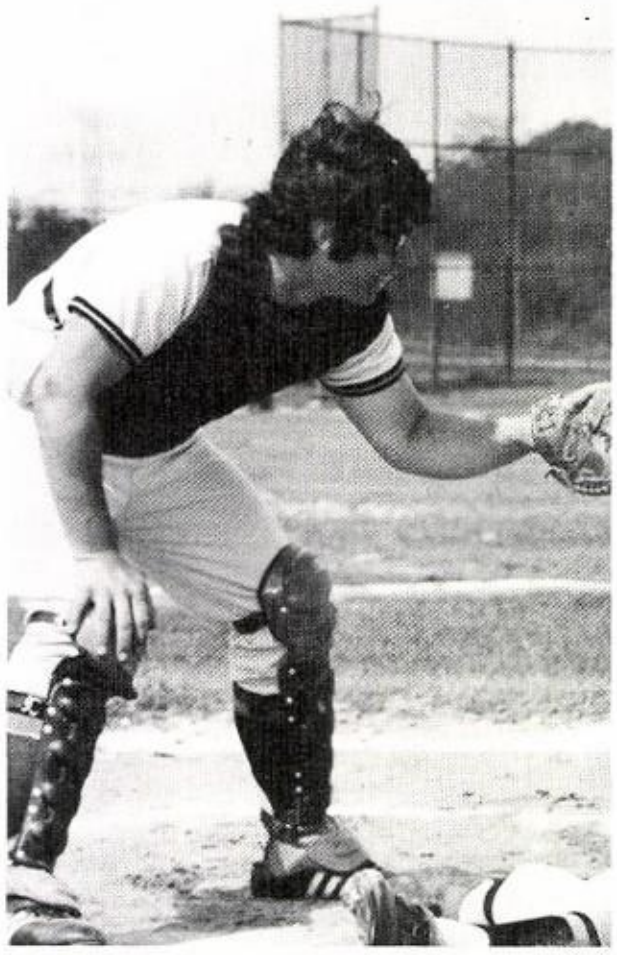
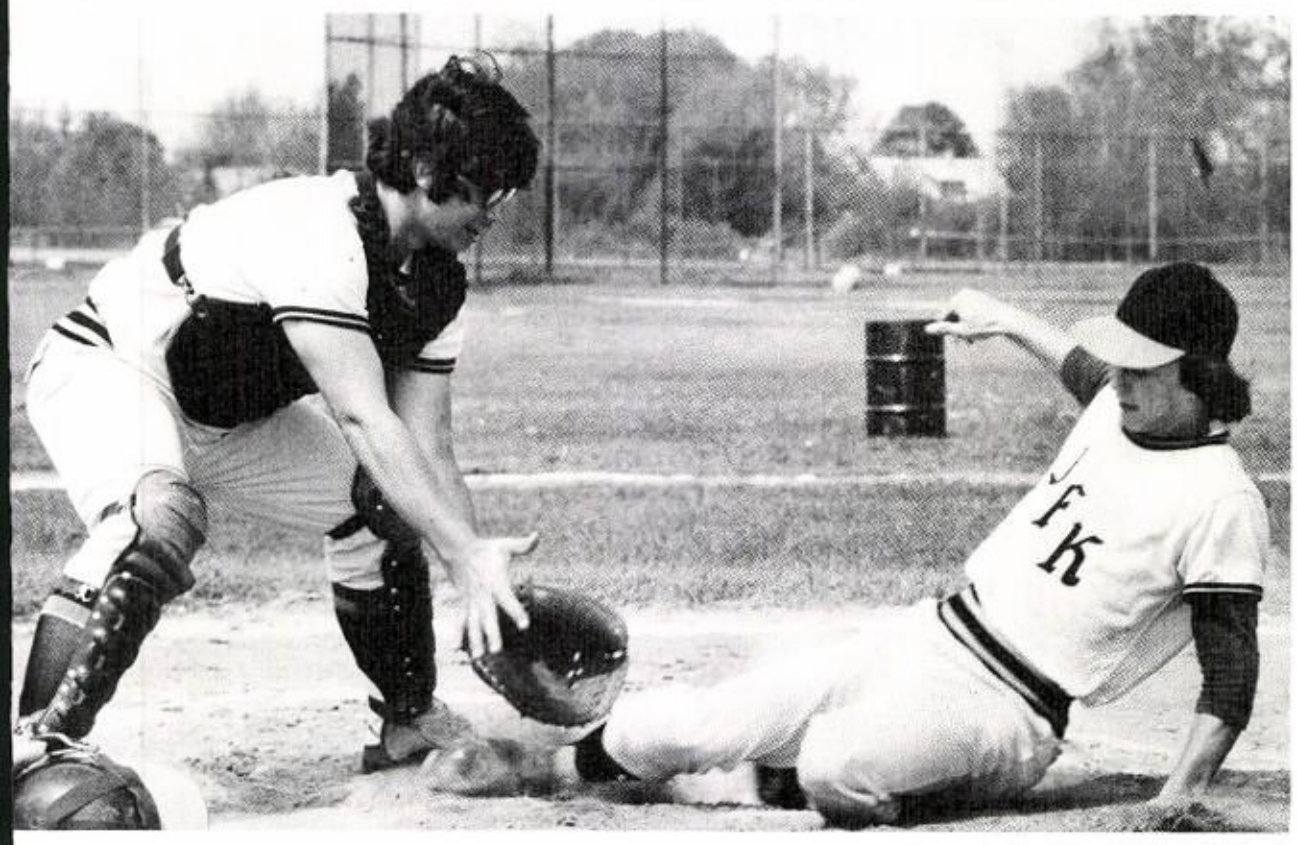
Capt. Rick Pikul



Hey! — Zalemski, what's so funny?"



"OK, Preston, we believe you got him!

Who IS that masked man.

Stars of the Future

The JV Baseball team ended a successful season led by Captain Len Switkowski. Mark Przybylak, Hank and Chuck Goettel, and Billy Rieck proved to be fututre Varsity stars as they turned in fine performances all year.

SITTING: Rich Bartoszek, Ron Schlegel, Len Switkowski, Bill Rieck, Greg Garbacz. STANDING: Chuck Goettel, Mark Przybylak, Hank Goettel, Ken Pieczonka, Coach Andrzejewski.

"Hurry up and take that darn picture, will you!"

Track Team Comes Through Again

The 1974 Track and Field team once again came through a fine season, compiling a 5-3 record. Six school records were set, led by Cheektowaga's "Athlete of the Year," Sam Ruggerio, who set new records in the mile and two mile.

KNEELING: Kathy Biedny, Pat Pelleterie, Gary Broda, Bob Fischer, Joe Grys, Rick Herdzak, Bob Czarnecki. CROUCHED: David Grzychowiak, Mark Lehman, Jeff Piechowiak, Dan Tredo, Gary Koszuta, Dan Sikorski. STANDING: Ken Benchowski, Jim Stefaniak, Roger Januszkiewicz, Joe Janus, Mike Ciepiela, Russ Wiese.

The Sprinters and Hurdlers

Joe Janus led the hurdlers with 61 individual points. Coach Peters calls Joe one of our finest sprinters in recent years.

Gary Koszuta led the hurdlers by setting a school record in the 330 Intermediate Hurdles.

Field Events

Fred Knoof in the shot put and Ken Miller in the long jump led the field events. Both set school records in their respective events.

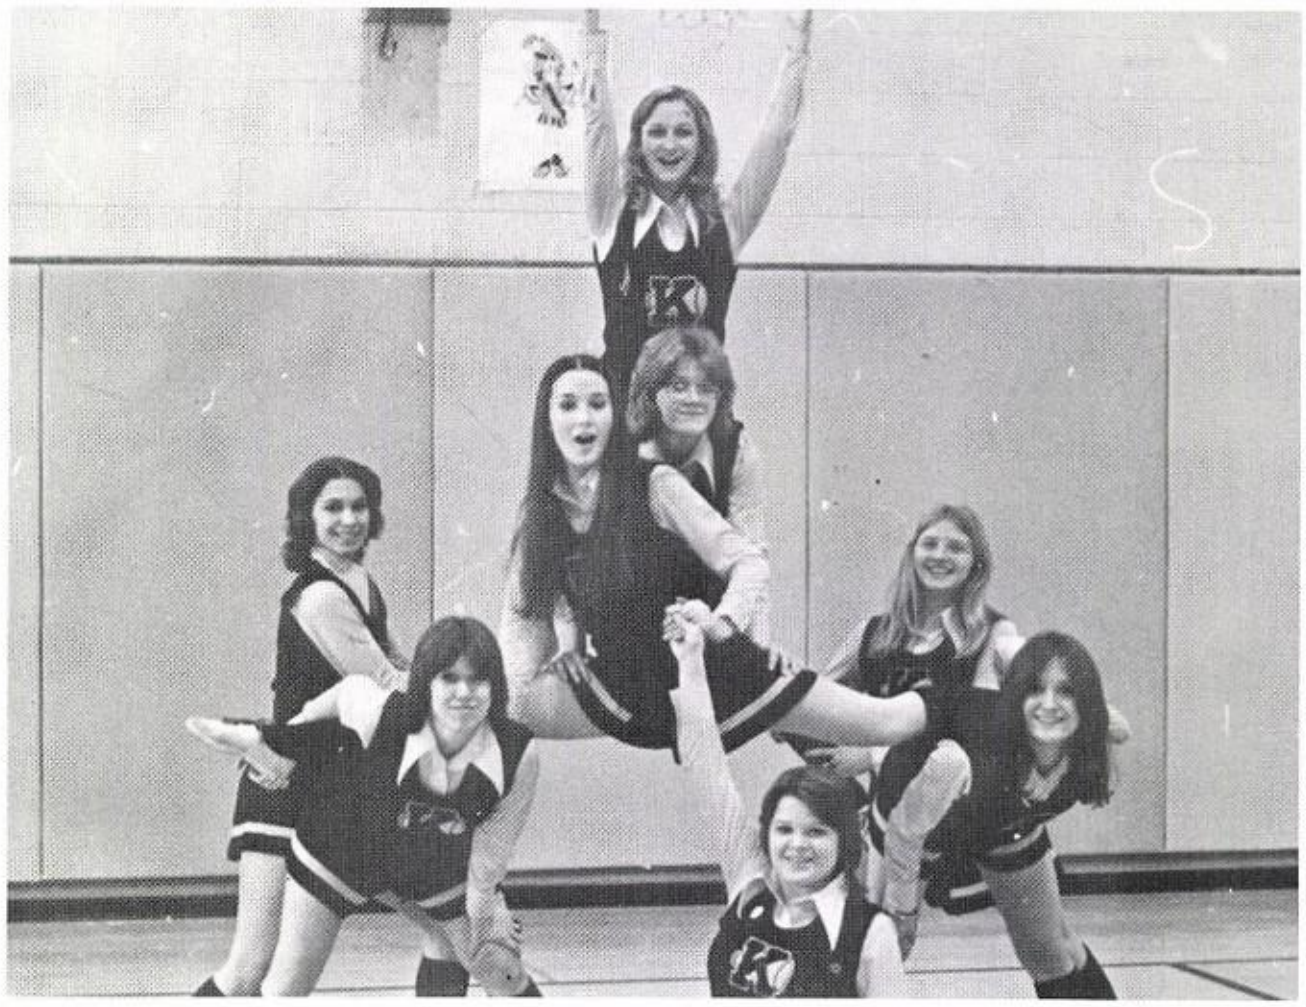
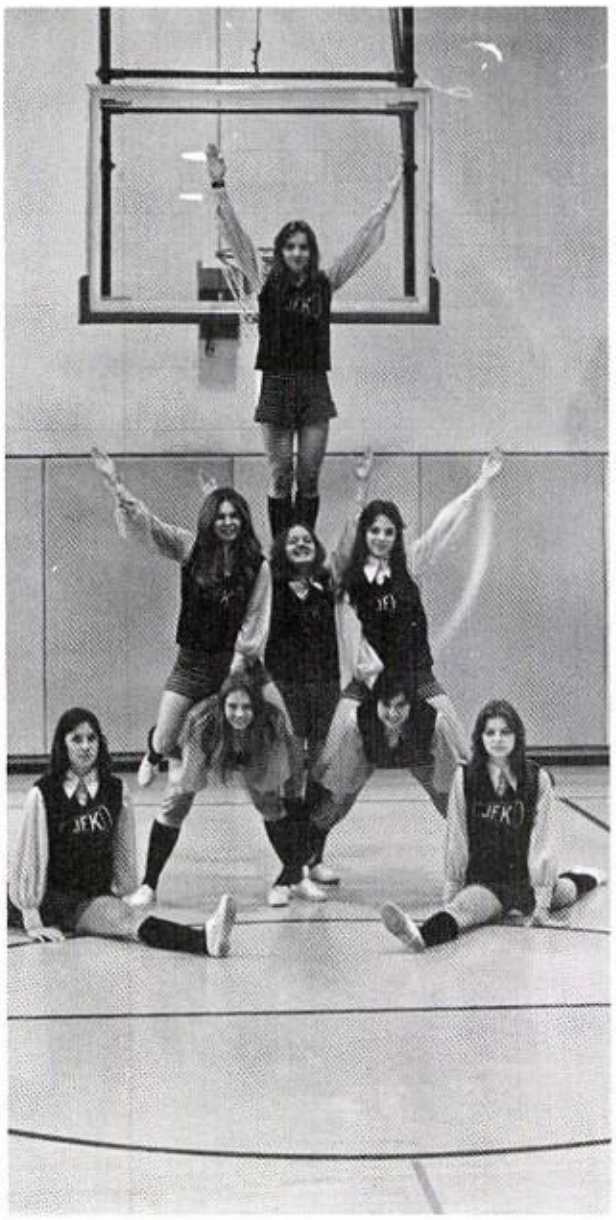
Varsity Cheerleaders

This year's Varsity Cheerleaders have once again contributed to the fine support that our teams have received. The cheerleaders personify the school spirit and help to rally the student body behind our athletes. A sincere thank you and a salute go out to you girls.



LEFT TO RIGHT: Brenda Smith, Darlene Giczkowski, Malinda Knibbs, Sue Wagner, Cindy Martinec, Pam Newbauer, Nancy Zimmerman, Donna Blasczak.

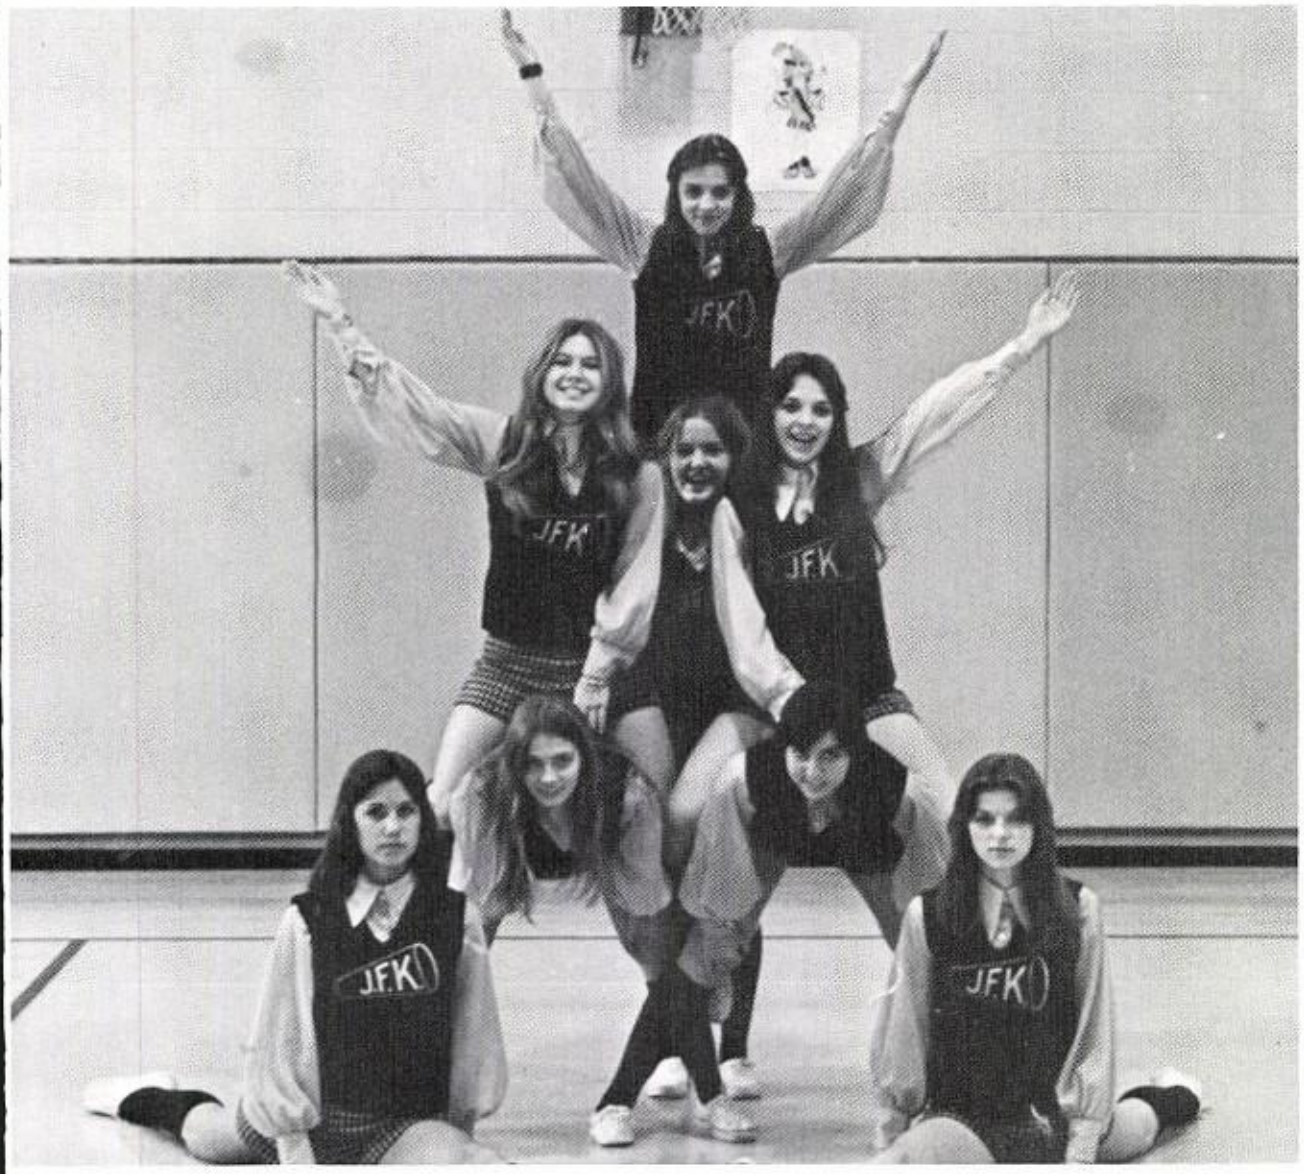
"What's it spell?"



J.V. and Frosh Cheerleaders

Continuing with the fine school spirit, the JV and Freshman Cheerleaders display their immeasurable pep at the games and pep rallies. Mrs. Sinclair and Miss Stark are to be commended for the way they have jelled these individuals into a proficient squad. Thanks girls, for your fine support.

1st ROW: Margarethe Pilarski, Barb Kosinski, Cindy Glouczak, Debbie Urbanski, Connie Warejko. 2nd ROW: Diane Dombrowski, Sandy Smith, Wendy Smith, Patty Hyzy. TOP: Sharon Gasiewicz.



LEFT TO RIGHT: Cindy Slisz, Kathy Niedziela, Debbie Swiatek, Kathy Biedny, Cathy Ciepiela, Gloria Braun, Mary Mitzel, Norma Jean Pembleton.
